## MATH I EOC REVIEW

IXL's math skills are aligned to the Common Core State Standards and the North Carolina Foundations for Early Learning and Development, providing comprehensive coverage of math concepts and applications. With IXL's state standards alignments, you can easily find unlimited practice problems specifically tailored to each required standard. Each student should practice for thirty (30) minutes each day, to achieve an average greater than or equal to 80%. Please contact your child's teacher, if you have any questions or concerns.
